

Section (e.g., Hook or A1)

Name and Overall Card # (e.g., Jackson 4)

What should be on the notecard?

- Can be bulleted
- If so, no more than 3 bullets per card; if one item, no bullet
- Text large enough to be read when in hands at stomach area
- Not too much text: Unless exact quote, just enough text to remind speaker of what he/she is to say at that point in presentation, including specific information; amount of text will vary based on speaker's skill with memorization, etc.
