Biographical Sketch

Write down the name of one individual who has played a significant role in connection to your topic. For example, this individual might be someone who made a scientific discovery, established a law, changed people's minds, or held political office during this era of history. Make sure you spell the person's name correctly.

Explain, in detail, what this person did. In what way did he or she contribute to our understanding of this topic or expand our knowledge about this topic? Write at least three sentences.

In this space, write down one quotation from the individual that could eventually be used on one of your note cards.
